

# Dominance By Acquisition

Sinister

Divine statues  
Symbols of the sacraments  
The book of insanity  
Sanctimonious and virulent

Defile the church  
Priestly perdition  
Ready for bloodshed  
Dominance by acquisition

Slaughter day has arrived  
To end all indoctrination  
Unbound ambition  
For a total eradication

Defile the church  
Priestly perdition  
Ready for bloodshed  
Dominance by acquisition

Destroying all symbols  
The rotten holy smell  
Break down the pillars  
The church will burn in hell

Redemption of the church  
And all religious pieces  
Mass incineration  
Holy ground decreases

Dominance by acquisition  
Immense seas of blood  
Dominance by acquisition  
Burn the ancient ruins  
Dominance by acquisition  
The unholy aftermath  
Dominance by acquisition  
Destroy the so called God
