

## Ridden with Disease

Sinister

Stricken with a horrible disease  
Mankind falls victim to doom  
Festering plague spreads across the earth  
Rotting death...Morbid curse

Skin begins to rot  
Deaden and peel away  
Bones collapse  
From advanced decay

Slow and painful death  
No more blood to bleed  
No end to the cadavers  
Ridden with disease

Faces decomposing  
Screaming in pain and despair  
Becoming one with the earth  
Flesh deteriorates until the bones are bare

BARE!!!

Skin begins to rot  
Deaden and peel away  
Bones collapse  
From advanced decay

Slow and painful death  
No more blood to bleed  
No end to the cadavers  
Ridden with disease
