Forever

Siouxsie and the Banshees

Infinity stretches unlimitlessly Countless days pass by immeasurably Anniversaries gutter in the maelstrom Whirling a snowstorm of lustrous millennium

We couldn't stay together This couldn't last forever

Senses dissolve into soliloquies Flooding ascent in synchronicity

But we couldn't stay together
I knew this wouldn't last forever

Forever just one more time then never This is the last string to sever

On and on It goes on and on

I could stay wherever I would last forever

Forever just one more time then never This is the last string to sever

Forever never forever
This is the last string to sever
I have lost you for ever and ever
