

# Daddy

Sir Michael Rocks

I can show you boys how to get a brick  
But n\*\*\*\*a, I'm not your daddy  
She said her phone off and need the bill paid  
But b\*\*\*\*h, I'm not your daddy

I can hold your hand and show you the way  
But n\*\*\*\*a, I'm not your daddy  
She said she hates me  
But she never met me

I'm a retired n\*\*\*\*a  
These niggaz said I don't want no soakin' on  
You don't know how to fight  
The niggaz thought they have me  
They call me big poppa  
But b\*\*\*\*h I'm not your daddy

I said circle, circle that  
Cops running around the block  
Lookin' for a victim  
Prick them like a driver  
Power stone goin' all black  
6 phone gigglin' calls  
With 6 years I struggle  
And you won't get the title, man

I'm tired to flex on you all  
I'm tired being misunderstood  
But we can die of knives

I can show you boys how to get a brick  
But n\*\*\*\*a, I'm not your daddy  
She said her phone off and need the bill paid  
But b\*\*\*\*h, I'm not your daddy

I can hold your hand and show you the way  
But n\*\*\*\*a, I'm not your daddy  
She said she hates me  
But she never met me

I'm a retired n\*\*\*\*a  
These niggaz said I don't want no soakin' on  
You don't know how to fight  
The niggaz thought they have me  
They call me big poppa  
But b\*\*\*\*h I'm not your daddy

I ain't got no rings  
But these b\*\*\*\*\*s call me.  
They be yellin' at me  
These b\*\*\*\*\*s be quitting a lot  
I be learning from them  
Thinkin I'm your wife  
And I'm right here and you love me  
I've been a realest n\*\*\*\*a  
And this is why momma had me  
I don't f\*\*k about this

s\*\*t my laugh and Calli  
I forgot about this  
And my b\*\*\*\*\*s so b\*\*\*\*\*s  
I'll be flexin' no niggaz  
Check my Instagram pictures  
It's only closed zones and figures

How can you say I'm that n\*\*\*a?  
How do I start in your life?  
I must be doing it right

I can show you boys how to get a brick  
But n\*\*\*a, I'm not your daddy  
She said her phone off and need the bill paid  
But b\*\*\*h, I'm not your daddy

I can hold your hand and show you the way  
But n\*\*\*a, I'm not your daddy  
She said she hates me  
But she never met me

I'm a retired n\*\*\*a  
These niggaz said I don't want no soakin' on  
You don't know how to fight  
The niggaz though they have me  
They call me big poppa  
But b\*\*\*h I'm not your daddy
