

# Cross My Heart

Sister Sledge

Cross my heart, I love you  
Hope to die if you walk out on me  
If you ever leave  
And take your love from me, boy

Can't believe (can't believe)  
That you could be so cruel and mean (cruel and mean)  
Leave me hangin' like a leaf on a tree  
Blowing it away (blowing it away)  
Don't say love is over  
Before it begins

Cross my heart, I love you  
Hope to die if you walk out on me  
If you ever leave  
And take your love from me, boy

You thought love (you thought love)  
Was free and easy  
Now you find (now you find)  
That it's not so easy  
Don't throw up your hands  
And walk away (and walk away)  
Let's work together  
And make our love's first rate

Cross my heart, I love you  
Hope to die if you walk out on me  
If you ever leave  
And take your love from me, boy

Don't throw up your hands  
And walk away (and walk away)  
Let's work together, baby  
And make our love's first rate, ohhhh

Cross my heart, I love you  
Hope to die, no, no  
Cross my heart, baby  
I love you, boy  
(Hope to die)

Ohhh, ohhh, ohh yeah  
Baby, baby, baby, ohh yeahhhh  
Ooooh, ooooh, oooh, no, baby  
Oh, oh, I love you, boy  
Love you, boy  
Ohh, ohh, no, don't ever leave me  
Ohh, yeahh, ohhh, ohhh, ooooh
