## Six Feet Under

I hear screams, echoes of the dead  
in the silence - screaming  
Haunted by the dead  
listen  
they're calling me to join them

Rotting away  
I'm decomposing  
Rotting inside  
Slow decay

I wake screaming in the middle of the night  
burning inside  
I'm turning cold

Rotting away  
I'm decomposing  
Rotting inside  
Slow decay

Skin sweating, my heart skipped a beat  
something behind me  
something I can't see

Rotting away  
I'm decomposing  
Rotting inside  
Slow decay

Haunted - haunted  
haunted by the dead

Rotting away  
I'm decomposing  
Rotting inside  
Slow decay

Silence the screaming has stopped  
my body hangs dead, swinging from a rope  
in the silence  
listen  
they're calling you to join them

Rotting away  
I'm decomposing  
Rotting inside  
Slow decay  
Rotting away  
I'm decomposing  
Rotting inside
