Too much sufferation mi cyaan bear no more
Brutalization them don't love the poor so me
Play the music every night and day because
Bad company will lead you astray

Yow mi cook mi food
Poor people get some out of it

still nothing come out of it hmm...
Speak the truth ah that me promote ah it
yuh cut the people flesh
yes blood run out of it, now
your duty is wuk fi everyone
police and dey gun yes they get out of hand
judge, you should take it out their hand
yuh hurt black people and yuh don't care a damn
