

Jah Love

Sizzla

Oh oh oh ah ah ah
Let all my people be wealthy and well
And live and learn in peace love and righteousness
Let all our children be wealthy and well
And give praise onto the most high all them days

Cause Jah love is the greatest love
It keep us going on, that's what it does
Jah love is the greatest love
Jah guid and protect us all
I know Jah love is the greatest love
It keep us living on, that's what it does
Jah love is the greatest love
It keep us going on

I know mother nature be so happily adorned
As for you to teach them what they really have to know
And when children look upon there parents and guardians
With love and respect so they live much longer
Because I say

Jah love is the greatest love
Keep us going on, that's what it does
Jah love is the greatest love
Jah guide and protect us all
I know Jah love is the greatest love
Keep us living on, that's what it does
Jah love is the greatest love
Jah guide and protect us all yeah

I Know (look in yourself) won't you look within yourself
Think there is no other way
(think there is no other way, Jah is the way)
Where can you go without Jah love

Jah created the sun that shine so bright,
Stars and moon that shines at night
Created the heaven and the earth
And even so created our life

Jah love is the greatest love
Keep us going on, that's what it does
Jah love is the greatest love
Jah guid and protect us all
I know Jah love is the greatest love
Oh oh oh ooh oh ooh hey (keep us going on)
Jah love is the greatest love ey

Some people will hate and despise you
Don't let those tricks of the heathen surprise you
You think to yourself Jah will guide you
Be smart be humble there's Jah right beside you

Jah love is the greatest love
Keep you going on, that's what it does
Jah love is the greatest love
Jah guide and protect us all

Yea I know Jah love is the greatest love
Keep us going on, that's what it does
