Simplicity

Black people keep your heads up Emperor Selassie, 1 bless them Burning fire never yet stop

Simplicity, we use to survive Many find it difficult because they ignorant and hype Simplicity, we use to survive Do what you doing properly, that's the way through life

Simplicity we use to survive Many find it difficult because they ignorant and hard Simplicity we use to survive Children, open up your eyes

Is not the one bag of vanity Nor the animosity Nor the hypocrisy, nor democracy Is not the labba-labba nor the back-stabber

Nor the vampire evilous desire Is just a meditation of my heart Pure and conscious thought Be over standing and be smart

Listen to the children speak the word And shine the light in the dark, yeah

Simplicity, me use to survive Many find it difficult because they ignorant and die Simplicity, me use to survive Do what you doing properly, that's the way through life

Simplicity I use to survive Children, open up your eyes Simplicity me use to survive Burn Pharisees and Scribes

Ooh, yeah, ah, find yuh wrong bro, dat fi pause Praise Ras Tafari and give a worthy cause Give us all the blessing, give us all reward To help the poor, ah, find it easy when them find it hard

Simplicity, I use to survive Many find it difficult because they ignorant and die Simplicity, l use to survive I say live and love yuh life

Keep doing what you doing, don't you grumble Seed what you sow is what yuh reap,so be humble Know what yuh doing, yuh never stumble Burn down Rome, I sight dem crumble

Lead the way, lead the way with the word what 1 speak Never must you stray, hail the King in the East Whoa, uh, Kalonji teach, Zion haffi reach, whoa yeah

Simplicity, 1 use to survive

Sizzla

Many find it difficult because they ignorant and hype Simplicity, 1 use to survive Burn Pharisees and Scribes

Simplicity, l use to survive Many find it difficult because they ignorant and hype Simplicity, l use to survive Aw, Kalonji tell yuh

Is not the one bag of vanity Nor the animosity Nor the hypocrisy nor democracy Is not the labba-labba nor the back-stabber

Nor the vampire, yuh evilous desire Is just a meditation of my heart Is just a pure and conscious thought Be overstanding, ah, tell yuh to be smart Listen to the children when they speak And shine the light in the dark

Simplicity, l use to survive Many find it difficult because they ignorant and hype Simplicity, l use to survive Children live and love yuh life, yeah Fire burn yahh-ow

Simplicity, we use to survive Don't you find it difficult Yeah, open up your eyes Simplicity, we use to survive Live and love yuh life
