

Special Brew

Skankin' Pickle

And I love you, yes I do, 'cause I know that you love me too
And I love you , yes I do, gonna spend all my money on you
And everyday when I say that I'm not gonna take anymore
It's okay, don't go away, I'll be back when you're closing the door

I need some more to restore all the feelings that I get from you
And I want more, give me more, all I want is a barrel of you

And I love you, yes I do, 'cause I know that you love me too
And I love you, yes I do, gonna spend all my money on you

And I don't care when they stare at the way that I'm always with you
We're a pair, it's not fair when they say we're a special crew

And I love you, yes I do, 'cause I know that you love me too
And I love you, yes I do, gonna spend all my money on you
And everyday when I say that I'm not gonna take anymore
It's okay, don't go away, I'll be back when you're closing the door

And I love you, yes I do, 'cause I know that you love me too
