

Skinhead teasing

Skarface

Pourquoi, pourquoi? Pourquoi ne pas arreter ça?
Pourquoi ne pas s'arreter la?
Without any respect you treat me as I was a fool
No matter what I move or do, I should follow your rules
But who from me and you is the one who act cool?
OK I wear braces, army trousers, bombers jacket
I've tattoos everywhere, sometimes iro, sometimes no
hair
But in your 3 pieces suits, don't you feel narrow-
minded?

It's like a war and Skinhead teasing
A fight in a brotherhood

You're supposed like original, proud to know well your
roots
A 69 Skinhead, Ben Shermans and crombi
But you've paid a real lot for this working class look
I'm not less than a shit because I wear the cheapest
clothes
I think the real spirit is not fashion, it's like a
cause
Who is the real rebel, me or you with your books?!

It's like a war and Skinhead teasing
A fight in a brotherhood

You keep criticising the ones who prefer something
speed
Trojan is your bible and the rest will have some
troubles
But we're in 96, I'm a white and I play what please me
Without any respect you treat me as I was a fool
No matter what I move or do, I should follow your rules
But who from me and you is the one who act cool?

It's like a war and Skinhead teasing
A fight in a brotherhood
