

Hardcore

Skarhead

I don't care
How long you've been around
And I don't care
Who you know
You ain't down
When it came time to put up a fight
You ran like a sucker
Out of sight

Can't live for tomorrow
Get to live today
Hardcore
Still struggling to get by everyday
Hardcore
And nobody can tell us what to do
Hardcore
When we were down where the f**k were you!

Trusted you
Thought you were my friend
Thought you had my back
Until the end
When we were down
Feeling the pain
But you never came
Punk you never came
