

# Cyber Samurai

**Skelator**

Far in the land of the rising sun  
So many battles were fought and won  
Created by demons and dragons above  
Beware the wrath of his laser sword

Cyber Samurai  
Let honor be my guide  
Cyber Samurai  
I'm fighting with my pride

Deep from the caverns the spirits will rise  
Auras of evil now light up the sky  
Now our hero is ready to die  
Protecting his people from wrath and demise

Cyber Samurai  
Let honor be my guide  
Cyber Samurai  
I'm fighting with my pride  
Cyber Samurai  
Let honor be my guide  
Cyber Samurai  
I'm fighting with my pride
