

Seven Scars

Skelator

Betrayed by my brothers
Betrayed by my friend
They captured my lover and left me for dead
I'm lord of this wasteland
I'm covered in stone
Driven by vengeance I'll break their bones

Hokuto No Ken
The man with the seven scars
Hokuto No Ken
The fist of the north star
Hokuto No Ken
The man with the seven scars
Hokuto No Ken
The fist of the north star

Our world in ruins
The strong rule the weak
I will now rise to be king of the fist
Taking no chances
I strike at their skull
My energy transferred their heads now explode

Hokuto No Ken
The man with the seven scars
Hokuto No Ken
The fist of the north star
Hokuto No Ken
The man with the seven scars
Hokuto No Ken
The fist of the north star
