

She-Ra

Skelator

Leading the Warriors of Genocide into battle
I saw her there covered in dirt and grime
Her skin glistened with battlelust
I knew that she would be mine

(Chorus)

She-Ra oh She-Ra
You belong to me
She-Ra oh She-Ra
Taste my demon seed

I saw it in her lusting eyes, deep inside she knew
just what to do
My sword was raised firm in hand, she knew just
what to do
Her sword met mine in a shower of sparks but my
aim was true
My sword bit deep into her flesh, the battle was
through

(Chorus)

I'll drag you into my world of doom
There I will defile you
I'll fulfill your womanly needs
She-Ra, you belong to me...

(Chorus)

She-Ra, She-Ra
She-Ra, She-Ra!!!
