Skindred

Ah bear vexation ah run through my brain,  
Yes I'm bex with all of them again,  
From the way how I'm feeling I can not refrain,  
I want to tell them so and tell them right now,  
It don't work when I count upto ten,  
Coz I still wanna blast on all of them again,  
I try to exercise the demons but I still get mad like right, right!
