

Living on and on  
Within a shell  
Of future war  
Destructive home

Over here  
The air is gone  
Sold for songs  
So faustian

The shortened seasons  
Now have left  
The dream now  
Wicked shadows cast

The scenes left feeling  
For the poor  
Distressed  
They comp a war

They start a war  
(8x)

So slowly changing  
Guns of wavy rainy  
Sounds of radar

So slowly changing  
And you'll find out  
If this is so awful

So slowly changing  
(4x)

So slowly changing  
Guns of wavy rainy  
Sounds of radar

So slowly changing  
And you'll find out  
If this is so awful

So slowly changing
