

Backstreet Kids

Skrewdriver

Backstreet kids, no future in sight
Backstreet kids, can't see no light
Backstreet kids, no money too
Backstreet kids, well what you gonna do?

Chorus:

'Cos you're the backstreet kids
Street rats, alright!

Backstreet kids, they got no aid
Backstreet kids, they got no say
Backstreet kids, don't want to be
Backstreet kids, be in anarchy

(Repeat Chorus)

Backstreet kids, got nothin' to do
Backstreet kids, got nothin' new
Backstreet kids, just drink and fight
Backstreet kids, well that's alright

(Repeat Chorus)
