

Government Action

Skrewdriver

What a drag, what a waste of time
Want more money or a life of crime?
Do as much work as an older man
He gets much more money than I ever can

Gimmie some, government action
Gimmie some, gimmie satisfaction

Things are changing for the British kids
Gotta be old to get money, yeah
Can't afford a drink so I gotta stay bored
Can't afford a bed, gotta sleep on the floor
