

Skullview (Warrior)

Skullview

Enraged with a vengeance
Metal god from the heavens has called
Metal knights in black armor
You know there is honor in war

You fight through the fields
With your sword and your shield,
Chosen warrior
With the blood on your blade,
You will strike with a passion for vengeance

Skullview warrior
Fighting for those who believe

Fist raised up high

You'll never know until it's time
It's time to kiss your life goodbye
You'll never know until it's won

The battle has just begun
You point the sword up to the sun
You'll ride the light and then you'll see
Metal is the prophecy

I've heard it before and I'll say it again
You'll never know until the dying end

You'll never know until you die
It's time to kiss your life goodbye
You see the pain, it's in your eyes
You point the sword up to the sky

Enraged with a vengeance
Metal god from the heavens have called
Metal knights in black armor
You know there is honor in war

Skullview warrior
Fighting for those who believe
