Copy cating a dude cause they don't want a fizzo  
Flattered by your bitting but get off ma bizzos

Yo! am as cocky as they come  
In every way possible  
Knock me for one  
I gladly back it up  
Am like rocky on the drums  
Built I got a fetish for quiet bitches who get sloppy with the tongue  
Get it S.K  
Hard flows and cold charms  
I train in December speed y'all through snow storms  
The game weak I fall asleep in the fast lane  
Turning everybody mix tape into ash tray  
There's too many that's not worth the time  
I would name y'all but why fame y'all  
Ma work is fine  
Real recognize real  
Am New York in the flesh the rest of y'all just talk of death I live it  
So why I ain't hearing what your man's be yelling  
Talkin' an indictment shit you can't even spell it  
Dude you ain't sellin no gram stop saying you pushing  
You a jelo brain  
Your heart made of pudding  
Stop playing

Real talk there's too many of y'all talking too greasy  
So for me y'all making these too easy

3 tone g shit  
Enough to get your light bill paid  
And fix your jeep with  
Star studded event  
When S.K and leak shit  
Inspiring your bitch to make sky to want to creep with  
Homey don't get offended it's a part of how am living  
The God is like a star when he park in front of the building

In the drop with your broad  
And I'm the favorite topic of your discussion  
I'm literally in and out of a job  
I get it done  
I've been in one for a lil' while  
So fuck if you got a 16 with a lot of style  
It means nada  
S.K lean and not fly  
Fresh tape up evisu jeans and pradas  
But please don't get it twisted  
I got some dudes behind me that they get offended  
And they define grimey when they get horrendous  
From the bottom of they feet where they finger tipsys  
So act cool

Mayne you stay in your lane and do what you do  
My lane is like a buck 50 and better  
Catch up haters
