I'll call you On the phone tonight We can rendezvous At our hideaway, all right Don't you know You're my everything And I know You mean the world to me Don't you know That we are in paradise Gave me your heart I won't break it I believe that we can make it Gave me your heart I'll always be true I'm feelin' stronger 'Bout our love A faithful strength That keeps us closer because Faster-n-faster My heart's beating faster I'm so glad you're here with me Faster-n-faster I know this can last girl Since you gave your heart to me You're my everything And you mean the world to me And we are in paradise
