

Let the Good Times Roll

Slaughter

Everyday ya gotta go and
keep yourself alive
Yeah ya know you're sick
and tired of everybody's jive
So it's Monday Tuesday ya
know you're hatin' the scene
so it aint no dream
So the boss man calls you
on the phone
Ya say no, no, no
You'll be screamin' you'll be shoutin'
You say let the Good Times Roll
So you're headed to the show and
Ya know ya gotta get there fast
Now is the time gotta go
ahead and kick some ass
Party here party there that's
all you want to do
This songs for you oh how do ya do
So the boss man calls you
on the phone
Ya say no, no no
You'll be screamin' you'll be shoutin/
You say let the Good Times Roll
You'll be screamin' you'll be shoutin'
You say let the Good Times Roll
All right gonna have some fun tonight
All right cause there aint no limit and
We're gonna take ya for a ride
All right gonna have some fun tonight
All right cause there aint no limit and
I wanna hear everybody screamin'
You'll be shoutin'
You say let the Good Times Roll
You'll be screamin' you'll be shoutin'
You say let the Good Times Roll
