

Slayyyter

Boy, you're sweet like summertime  
Knew I had to make you mine (Oh me, oh my)  
This ain't gonna last because I always move too fast  
But baby, we should still get drunk tonight-ight-ight-ight

I just want to party with my best friends  
And I just want to skip to the weekend  
And all I wanna do is spend the night with you  
Baby, do you like me too?  
I could be your new tattoo  
I could be your new tattoo  
Baby, do you like me too?  
I could be your new tattoo  
Yeah, yeah  
(Be your new tattoo)

Show me that you want me  
Put my name all on your body  
I'm your Pam and you're my Tommy  
Give it to me boy, you love me, yeah

I just want to party with my best friends  
And I just want to skip to the weekend  
And all I wanna do is spend the night with you  
Baby, do you like me too?  
I could be your new tattoo  
I could be your new tattoo  
Baby, do you like me too?  
I could be your new tattoo  
Yeah, yeah  
Oh, I could be your new tattoo  
I could be your new tattoo  
Baby, do you like me too?  
I could be your new tattoo

I think my name looks the nicest  
When it's stained across your biceps  
If you want me, let me know  
Don't ever let me go  
(Let me go)

I just want to party with my best friends  
And I just want to skip to the weekend  
And all I wanna do is spend the night with you  
Baby, do you like me too?  
I could be your new tattoo  
I could be your new tattoo  
Baby, do you like me too?  
I could be your new tattoo  
Yeah, yeah

I could be, I could be your  
I could be your new tattoo  
I could be, I could be your  
I could be your new tattoo
