## **Step Aside**

## Sleater-Kinney

You come knocking on my door Pull me, pick me off the floor I might need something to get me going Feel it one time, it rolls, dig it

When I feel worn out, when I feel beaten Like a used up shoe or a cake half eaten There's only one way to keep on feeling Move it up one time, in time

His mother works till her back is sore But the baby's fed and the tunes are pure You'd better get your feet on the floor Move it up one time to the beat To the beat, to the beat, to the beat

These times are troubled these times are rough There's more to come but you can't give up Why don't you shake a tail for peace and love Move it up one time for love

Janet Carrie can you feel it? Knife through the heart of our exploitation Ladies one time, can you hear it? Disassemble your discrimination

When violence rules the world outside And the headlines make me want to cry It's not the time to just keep quiet Speak up one time to the beat To the beat, to the beat, to the beat

Check it one time can you feel it Move it one time can you mean it Love cannot 'cause I need it To the beat, to the beat To the beat, to the beat
