

Words and Guitar

Sleater-Kinney

Words and guitar
I got it
Words and guitar
I like it
Way, way too loud
I got it
Words and guitar

Ohh ohh yea ohh
(Can't take this away from me)
Ohh aaa yea ohh
(Music is the air I breathe)
Ohh aaa yea
(Can't take this away from me)

Words and guitar
Take take
The noise in my head
Take take
The noise in my head
Come on and
Turn, turn it up
I wanna
Turn, turn you on

Ohh ohh yea
(Take a space for runnin' in)
Ohh ohh yea
(That is if you never think)
Ohh ohh yea
(Take a space for runnin' in)
Words and guitar

I dream of quiet songs
I hear the silky sounds
Hush, hush and rock, huh
Oh, give me pretty song
Oh, let me have that sound tonight

Words and guitar
I got it
Words and guitar
I want it
Way, way too loud
I want it
Words and guitar

I got it, yea
(Tell me what you wanna be)
I got it, yea
(Tell me what you wanna be)
I got it, yea
(Tell me what you wanna be)

Words and guitar
Take take
The noise in my head

(... let you down)
Take take
The Noise in my head
(If you think you can't then you won't)
Come on and
Turn, turn it up
(... never know)
I wanna
Turn, turn you on
(It's a feelin' that is on)

I wanna
