

Rollercoaster

Sleeper

Pleased to meet you Mr Morgan
How you feeling today
Isn't it a lovely morning
Seen you looking my way
All the flowers in your garden
Make a lovely display
Who will keep them tidy for you
Maybe I should explain

We could build a caravan
From the ocean to the sea
If we really get along
We decided all along
If we really get along
We'll go rollercoastering

Pleased to meet you mr morgan
How are you feeling today
Isn't it a lovely morning
Been a while without rain
All we do is we talk about it
Say you know why I came
From the kitchen to the garden
Maybe I should explain

We could build a caravan
We could build a caravan
If we really get along
We could build a caravan
From the ocean to the sea
And it wouldn't bother me
No it wouldn't bother me
We'd go rollercoastering

I could take you home
I will take you home
