

Rainbow Connection

Sleeping at Last

Why are there so many songs about rainbows and what's on the other side?

Rainbows are visions, but only illusions
And rainbows have nothing to hide
So we've been told and some choose to believe it
I know they're wrong wait and see

Someday we'll find it, the rainbow connection
The lovers, the dreamers, and me
Who said that every wish would be heard and answered
When wished on the morning star?

Someone thought of that and someone believed it
And look what it's done so far
What's so amazing that keeps us stargazing
And what do we think we might see?

Someday we'll find it, the rainbow connection
The lovers, the dreamers, and me
All of us under its spell
We know that it's probably magic
Have you been half asleep and have you heard voices?
I've heard them calling my name

Is this the sweet sound that call the young sailors
The voice might be one and the same

I've heard it too many times to ignore it
It's something that I'm supposed to be

Someday we'll find it, the rainbow connection
The lovers, the dreamers, and me
