

# The Safety Dance

## Sleeping at Last

We can dance if we want to  
We can leave your friends behind  
Cause your friends don't dance  
And if they don't dance then their no friends of mine

We can go where we want to  
A place where they'll never find  
We can act like we've come from out of this world  
Leave the real one far behind

And we can dance or sing

We can go when we want to  
The night is young and so am I  
And we can dress real neat from our hats to our feet  
And surprise 'em with the victory cry

Say, we can act if we want to  
If we don't, nobody will  
And you can act real rude and totally removed  
And I can act like an imbecile

And say, we can dance, we can dance  
Everything's out of control  
We can dance, we can dance  
They're doing it from wall to wall  
We can dance, we can dance  
Everybody look at your hands  
We can dance, we can dance  
Everybody's taking, taking little chance

We can dance if we want to  
We've got all your life and mine  
As long as we abuse it, never gonna lose it  
Everything'll work out right

I say, we can dance if we want to  
We can leave your friends behind  
Because your friends don't dance and if they don't dance  
Well, they're no friends of mind

And say, we can dance, we can dance  
Everything's out of control  
We can dance, we can dance  
They're doing it from wall to wall  
We can dance, we can dance  
Everybody look at your hands  
We can dance, we can dance  
Everybody's taking, taking little chance
