

Total Eclipse of the Heart

Sleeping at Last

Turnaround, every now and then I get a little bit lonely and you're never coming round

Turnaround, every now and then I get a little bit tired of listening to the sound of my tears

Every now and then I get a little bit nervous
the best of all the years have gone by

Every now and then I get a little bit terrified
then I see the look in your eyes

bright eyes, every now and then I fall apart

bright eyes, every now and then I fall apart

And I need you now tonight

And I need you more than ever

And if you only hold me tight

We'll be holding on forever

And we'll only be making it right

'Cause we'll never be wrong

Together we can take it to the end of the line

Your love is like a shadow on me all of the time

I don't know what to do and I'm always in the dark

We're living in a powder keg and giving off sparks

I really need you tonight

Forever's gonna start tonight

Forever's gonna start tonight

Once upon a time I was falling in love

But now I'm only falling apart

There's nothing I can do

A total eclipse of the heart

Once upon a time there was light in my life

But now there's only love in the dark

Nothing I can say

A total eclipse of the heart

Turnaround, bright eyes

Every now and then I fall apart

Bright eyes

Every now and then I fall apart

And I need you now tonight

And I need you more than ever

And if you only hold me tight

We'll be holding on forever

And we'll only be making it right

'Cause we'll never be wrong

Together we can take it to the end of the line

Your love is like a shadow on me all of the time

I don't know what to do and I'm always in the dark

We're living in a powder keg and giving off sparks

I really need you now tonight

Forever's gonna start tonight

Forever's gonna start tonight

Forever's gonna start tonight

Forever's gonna start tonight

Once upon a time I was falling in love

But now I'm only falling apart
There's nothing I can do
A total eclipse of the heart
A total eclipse of the heart
