

## Blood Meridian

## Sleeping Giant

There is a sickness  
we are the cure.  
Many will pass away  
we will endure  
Committed to violence  
our victory sure  
the whole earth can pass away  
but we must endure

Sweet blood meridian  
come flow and purify.  
I've met the judge some say like him we never age.  
Some say like him we never die.  
Like him we never die.

There is a sickness  
I am the cure  
humanity will pass away  
we will endure.  
Persistence in suffering  
victory sure  
the whole earth can pass away  
I will endure.

Endurance.  
I will endure.

Sweet Blood Meridian.  
Sweet Blood Meridian.
