

## Victory

## Sleeping Giant

I have the DNA of Heaven in me  
strongholds will fall when I pray.  
I am a miracle and nothing will contain me.  
I am your victory.

I have the DNA of Heaven in me  
strongholds will fall when I pray.  
I am a miracle and nothing will contain me.  
I am your victory.  
Jesus my Victory!

Victory.  
Victory.  
Victory.  
Victory.

I live in love because you now live in me.  
I am a prophet and king.  
I will do miracles and nothing will contain me.  
I am your victory.

I live in love because you now live in me.  
I am a prophet and king.

I am your victory.  
Jesus my Victory!

Victory.

Victory.
