

## Ring Ring

## Sleigh Bells

Have a heart, have a heart, have a heart  
sixteen six six six like the pentagon  
we are the river flow  
and you can never know  
you're just a weatherman  
we make the wind blow

keep thinking about every straight face yes  
wonder what your boyfriend thinks about your braces  
what about them  
I'm all about them  
six such straight As  
cut em in the bathroom

so this is it then?  
you're here to win friends  
click click saddle up see you on the moon then  
and all our old friends  
pick up their phones then  
ring ring call them up  
tell them about the new trends

Have a heart, have a heart, have a heart  
sixteen six six six like a heart attack  
we form a terror pack  
and I'm aware of that  
but we could fist fight drunk like the parent trap

keep thinking about every straight face yes  
wonder what your boyfriend thinks about your braces  
we never blink, see?  
and you can see me  
we fell asleep in the middle of the fury

so this is it then?  
you're here to win friends  
click click saddle up see you on the moon then  
and all our old friends
