

# Nobody Knows

Slightly Stoopid

Searchin' for the one who wants to make you  
Something better than you could  
Or maybe, one who wants to turn you  
Into something that you should

And though it's easily assumed, you'll be taken  
It's even easier to know you'll be waitin'  
And like a waterfall, tears come from your eye  
And well, you 'oughta know when your well runs, well runs dry

Ohh, no, no, no, no, no, no, no, no  
While you're waitin' and feelin' alone  
Nobody knows why the love is all we need to hold on  
No, no, no, no, no, no, no, no, ohh, no, no, no, no, ohh

And said, you best not now keep movin'  
Don't wanna be the one who's losin'  
And if you think that I'm confusin'  
What it is that we've been doin'?

I said, go on and give something better  
To be going up for nothin'  
Goin' up for nothin' would be better  
If there's somethin'

Get a little lovin' from the woman  
That me want it, tell me whatcha think  
That I want get?

Wanna get up in the early mornin'  
With the type of woman make a man feel right  
Wontcha get her thinkin' that I'm down to be the one  
Who's on your mind, until your well is runnin' dry

Ohh, no, no, no, no, no, no, no  
While you're waitin' and feelin' alone  
Nobody knows why the love is all we need to hold on  
No, no, no, no, no, no, no, no, ohh, no, no, no, no, ohh

No, no, no  
While you're waitin' and feelin' alone  
Nobody knows why the love is all we need to hold on  
No, no, no, no, no, no, no, no, ohh, no, no, no, no, ohh
