

## Reward For Me

Slightly Stoopid

Everyday my heart is sore  
It seem that im so poor  
But i shall not give up so easily  
Theres a reward for me  
Theres a reward for me  
Though im boarded down with shame  
Still theres no one here to blame  
But i shall not give up so easily  
Theres a reward for me  
Theres a reward for me  
Theres a reward for me

Everyday sing  
Theres a reward for me  
Everyday my heart is sore  
It seem that im so poor  
But i shall not give up so easily  
Theres a reward for me  
Theres a reward for me  
Theres a reward for me  
Everyday sing  
Theres a reward for me
