Slightly Stoopid

To a party the other night Yeah just to see another fight All this violence it just aint right yeah Come on party people lets unite You'll see, we're better off just you and me You'll see, come and dance with me Whoa oh To a party where there is no fight yah! To a party where its all alright To a party that it lasts all night To a party where we all unite You'll see, come on baby dance with me You'll see, just get.... They're called slightly stoopid They fuck shit up With the ska and the reggae Go listen to em punk! Get off my fuckin' Get off the stage The drummer's so skinny
