

Dolly Dimple Dance

Slim Dusty

Play a tune that's sweet and simple,
We'll all dance the Dolly Dimple,
All join hands and circle around the floor,
Everybody choose a lassie
Makes you feel so young and sassy,
Let's all Dolly Dimple dance once more.

You swing mum and I'll swing daddy,
On to Bill and then to Haddie,
Grab your partners and you doe-se-doe,
It's the life of every party,
Makes you happy, hale and hearty,
Let's all Dolly Dimple dance once more.

Play a little tune that's sweet and simple,
We'll all dance the Dolly Dimple,
All join hands and circle around the floor,
Everybody choose a lassie,
Makes you feel so young and sassy,
Let's all Dolly Dimple dance once more.

You swing mum and I'll swing daddy,
On to Bill and then to Haddie,
Grab your partners and you doe-se-doe, (Yeah)
It's the life of every party,
Makes you happy, hale and hearty,
Let's all Dolly Dimple dance once more

When your girl smiles at you sweetly,
Cupid's dart will stab you deeply,
As you Dolly Dimple 'round the floor,
You don't have to worry, no sir!
Pull her just a little closer,
And just Dolly Dimple dance once more.

Play a little tune that's sweet and simple,
We'll all dance the Dolly Dimple,
All join hands and circle around the floor,
Everybody choose a lassie
Makes you feel so young and sassy,
Let's all Dolly Dimple dance once more.
Let's all Dolly Dimple dance once more.
