

Glory Bound Train

Slim Dusty

I'm ridin' that glory bound train,
Leavin' all trouble and pain,
My spirits gonna fly to that home up in the sky,
Ridin' that glory bound train.

I'm leavin' temptation behind me,
In the glory of His life to find me,
I'm never gonna stray for the Lord will show the way,
I'm leavin' temptation behind.

Let's sing girls

I'm ridin' that glory bound train,
Leavin' all trouble and pain,
My spirits gonna fly to that home up in the sky,
Ridin' that glory bound train.
(Girls On guitar)

(Here we go)

I know the Lord will welcome me in,
And take me with the rest of His kin
'Cause I've been born again and I've lost all fear of
pain,
So get aboard all you guitar pickers and you drinkin'
and lets sing.

I'm ridin' that glory bound train,
Leavin' all trouble and pain,
My spirits gonna fly to that home up in the sky,
Ridin' that glory bound train.
(On the piano, Alice. There we go)

(On the banjo)

(Here we go)

I'm ridin' that glory bound train,
Leavin' all trouble and pain,
My spirits gonna fly to that home up in the sky,
Ridin' that glory bound train.
Ridin' that glory bound train.

Thank you, goodnight and God bless, see you all next
time. Thank you.
