

High Wide & Handsome

Slim Dusty

Ain't a-gonna tell you my love for you
Is high as the clear blue sky,
Ain't a-gonna tell you my love is wide as the wide
horizon,
Ain't a-gonna tell you and here is why;

I Love you high, wide and handsome
But I ain't gonna tell you so,
I Love you high, wide and handsome
But I ain't gonna tell you 'cos you already know.

Ain't a-gonna tell you what you mean to me,
You only have to look and see,
Ain't a-gonna tell you my love is high as the highest
heavens,
Ain't a-gonna tell ya 'cos there's no need,

I Love you high, wide and handsome
But I ain't gonna tell you so,
I Love you high, wide and handsome
But I ain't gonna tell you 'cos you already know;
No I ain't gonna tell you 'cos you already know;
No I ain't gonna tell you [fade out]
