

I'm Going Back Again To Yarrawonga

Slim Dusty

I'm going back again to Yarrawonga
In Yarrawonga I'll linger longer
I'm goin' back again to Yarrawonga
Where the skies are always blue
And when I'm back again in Yarrawonga
I'll soon be stronger, then over hunger
You can have all your Tennessee and Caroline
I'm gonna get some lovin' from that mammy of mine
I'm goin' back again to Yarrawonga
To the land of the kangaroo
