

Looking Forward Looking Back

Slim Dusty

Looking forward, looking back
I've come a long way down the track
Got a long way left to go
Making songs, from what I know

Making sense of what I've seen
All the love we've had between
You and I, along the track
Looking forward, looking back

There are strange days
Full of change on the way
But we'll be fine, unlike some
I'll be leaning forward, to see what's coming

Looking forward, looking back
I've come a long way down the track
Got a long way left to go
Making songs, from what I know

If I'm alone at night, I can see
Through all the triviality
Of the day and I'm okay
I just think of those who are dear to me

Looking forward, looking back
I've come a long way down the track
Got a long way left to go
Making songs, from what I know
Making songs, from what I know
Looking forward, looking back...
