Hiding in Austin you cried, and wouldn't rap on stage  
All your fans was like man, this lil nigga a bitch  
When he can't get his way, he quick to pitch a fit  
I'ma do this I'ma do that, well what's stopping you Yo

On you niggas corner, while I was talking to 50/50

Help Lil' Yo bootleg, so he can get a Northstar

You hollin' bring it to the ring, like you can knock me out  
While you standing straight up, I'll stick my dick in your mouth  
Midget ass nigga, comb your nappy ass hair  
You shop in the boys section, wear cartoon underwear  
Don't make me tie your dirty ass up, and give you a bath  
You looking like a lil dope fiend, out on the Ave
