

Cutout

Slim Wray

Every now and then
Ya get me pinned
Just as I saw
The exit 'round here

Before I know,
A face appears
Eyes glazed, betrays
What's about to begin

Your lips are moving
But I ain't listening
Got. To. Cut. Out.

Yeah!
My ears are cry'n out
My heart is pounding loud
Go crazy from this sound

When you want to be ignored again
Ah ah ah ah ah
I deliver!

Every scratch you itch
And can't resist
You know I long
For peace 'round here

Before I know,
A face appears
Eyes glazed, betrays
What's about to begin

Your lips are moving
But I ain't listening
Got. To. Cut. Out.

Yeah!
My ears are cry'n out
My heart is pounding loud
Go crazy from this sound

When you want to be ignored again
Ah ah ah ah ah
I deliver!
