

Midnight Mass

Sloan

We're like a secret society
Meeting at the midnight mass
No rank or seniority
Will put me up ahead in your class

Let me know
If you feel like letting him go
Permit me to say
Or is it clear as snow

Well it's alright when you're out of sight
Knowing we're not reconvening
You're a mystery, who could fail to see
Your Christian name has hidden meaning

Let me know
If you feel like letting him go
Permit me to say
Or is it clear as snow
