

Ice Cream Man

Sloppy Seconds

I'm your ice cream man
Look out for my ice cream van
I'm your ice cream man
So you better look out for me

I just got parol
I'm 25 years old
I'm your ice cream man
So you better look out for me

I know the speed limit
But I can't ride within it
I may scare your children
But just be glad I haven't killed them

I'm your ice cream man
Look out for my ice cream van
I'm your ice cream man
And I look out for you

I hate ice cream chimes(?)
They sound like fucking nursery rhymes
I'm your ice cream man
And I play Motley Crue

H-E-N-I-Y

You better look out for me
