

Mighty Heroes

Sloppy Seconds

Don't believe if Rambo or Van Damme or Seagal
But I believe in Buford P.
I believe in "Walking Tall"
What ever happened to the Ambushers
And the Wrecking Crew?
Where is the Mean Machine, Bruce Lee
And David Carradine?
I know I've said it all before
But I want more The Mighty Heroes

Do you believe in Freddy Kruger
'Cause he takes so many lives?
Well, I believe in showmanship
I believe in Doctor Phibes
Why do you waste your time
On "Halloween Part XXIX"?
And what more could you want
Than "Planet Earth" and Dylan Hunt?
I know I've said it all before
But I want more The Mighty Heroes

Though I walk through the Valley of Death
I fear no evil
For I believe in Billy Jack
I believe in Evel Knievel

Don't believe if Rambo or Van Damme or Seagal
But I believe in Jonathan E.
I believe in "Rollerball"
I know I've said it all before
But I want more The Mighty Heroes

Take back your Sly Stallones
And I'll take Cleopatra Jones
I found the world ain't how it looks
And I learned it all from comic books
I know I've said it all before
But I want more The Mighty Heroes
