

## Slowdive

### Slowdive

I hear your voice  
But it can't bring me back  
I'm dreaming of all the things  
I ever thought I had  
I'm pushing down  
I'm diving deep  
Yeah slowdive to my dream  
I'm feeling good, yeah  
I'm feeling free

Slowdive, you can't touch me now

I close my eyes  
And let the ground slip  
From my mind  
I'm falling now  
I'm diving now  
I'm gliding in the sky  
Graceful birds will whisper  
As I sadly pass them by  
He's feeling good, yeah  
He's feeling free

Slowdive, you can't touch me now
