

# Don't Burst My Bubble

Small Faces

Well, there ain't nothing happening  
But people telling me I got to worry  
Hah  
Saying watch that man with his ballpoint pen  
He'll take your money  
But all I wanna do  
I wanna take things slow, I ain't in a hurry  
But there's people talking like me, jiving  
Messing about, my, they think it's funny

So, hold on, hold on  
Don't burst my bubble  
Leave my bubble alone, yeah

There's kids outside my door  
I don't know what they're waiting for, so forget it  
Cos if I let them in  
I know the trouble I'd be in, I'd soon regret it

So, hold on, hold on  
Don't burst my bubble  
Leave my bubble alone, yeah
