

# Don't Stop What You're Doing

Small Faces

Don't stop what you're doing, oh no  
A little bird just flew in, yeah

And he told me  
That your love was strong  
That you'd never been in love so long  
So that's all right, yeah, that's all right, all right

I got something to tell ya, are ya listenin'?  
You heart's gonna melt ya, all right

And you're feelin' just like a high-flyin' bird  
That's the sweetest song you ever heard  
Well, that's all right, yeah

I don't know what made you feel this way  
But I hope you'll never fly away

So keep on flying away with m  
(Don't stop what you're doing)  
Say now take my hand  
(Don't stop what you're doing)  
Take me to a promised land baby  
(Don't stop what you're doing)  
Please, please, please, please, please  
(Don't stop what you're doing)

Don't stop what you're doing  
(Don't stop what you're doing)  
You make me feel so fine
