

Here Comes The Nice

Small Faces

Here comes the nice looking so good
He makes me feel like no-one else could
He knows what i want, hes got what i need
Hes always there, if i need some speed

Here comes the nice- its understood
Here comes the nice- he makes me feel so good
I'd be just like him- if i only could
You know you should

you know you should meet the man (the man)
The man gonna help you all he can
You dont need money to be wise

here comes the nice-its understood
Here comes the nice- he makes you feel so good
I'd be just like him-if i only could
You know you should

Hre comes the nice , looking so cool
Every-one nows the nice is no fool
He'll bring you up and show you around
He's always there if your feet hit the ground

Here comes the nice-its understood
Here comes the nice- he makes me feel so good
I'd be just like him-if i only could
